Washington State Department of Transportation

These contracts are planned for advertisement by the Washington State Department of Transportation for Nov. 01, 2026 through Oct. 31, 2027. Some types of projects, e.g., chip seals, bridge painters, seismic retrofits, electrical updates, and guardrail updates, may involve regionwide work. For projects with fish barrier corrections, the fish passage Site Id(s) are listed in the comments. Please note the advertisement dates are tentative and some information may change after this report is issued. Projects are dependent on funding availability. For current information, please visit the Contract Ad and Award website at https://wsdot.wa.gov/business-wsdot/contracts/about-public-works-contracts/alerts-bulletins/contracts-planned-advertisement

***ESSB 5161, Section 606 requires that:+A9:K10**

TRANSIT, BICYCLE, AND PEDESTRIAN ELEMENTS REPORTING
By November 15th of each year, the department of transportation must report on amounts expended to benefit transit, bicycle, or pedestrian elements within all connecting Washington projects in programs I, P, and Z identified in LEAP Transportation Document 2025-2 ALL PROJECTS as developed April 26, 2025.
